Sir,

I have the honour to state that the Shimoga District Board Railway debenture bond forms have now been received printed, and the debentures have to be written up, signed, countersigned by the Comptroller, entered in a register and issued to parties. Moreover ad interim interest payment orders have to be prepared and issued in respect of part instalments received, as debenture bonds can only be issued in respect of amount fully paid up. All this involves heavy work, which it is found cannot be attended to by the existing District Board establishment of this office. I have the honour therefore to request that sanction of Government may kindly be obtained at a very early date for entertaining a temporary accountant on Rs 30/- for this work for a period of six months. This work is of a very responsible nature and an official on smaller pay would not do. The cost of this establishment may be
